

**ADMINISTRATIVE POLICIES**

Effective March 27, 2009, the current MMTA President will not have to pay for registration fees for the any MMTA-sponsored conferences during his/her term as President. This includes Winter Workshop, MMTI Basic or Advanced, Fall Conference, MMTA in the UP and one-day seminars. In addition, the current MMTA President will not have to pay lodging charges during his/her term as President for the annual Fall Conference. The lodging charges will be paid for through a compensatory room provided by the Fall Conference hotel designation. This is done as an appreciation for the President (and the President's home community) for all of his/her work throughout the years serving on the MMTA Executive board.

Effective March 27, 2009, all chairpersons of their respective committees — Winter Workshop, MMTI, Fall Conference and MMTA in the UP will not have to pay registration fees to attend their respective conferences. This takes into effect the fact that the conference chairperson spends a lot of time organizing and implementing the respective conference and may not have time to attend the educational sessions.

Adopted: March 27, 2009
