

ADMINISTRATIVE POLICY

The MMTA President will not have to pay registration fees for any MMTA-sponsored conferences during his/her term as President. This includes Winter Workshop, MMTI Basic or Advanced, and Fall Conference. In addition, the current MMTA President will not have to pay lodging charges during his/her term as President for the Annual Fall Conference; the lodging charges will be paid for through a compensatory room provided by the Fall Conference hotel designation. This is done as an appreciation for the President (and the President's home community) for all of his/her work throughout the years serving on the MMTA Executive Board.

Roll Call Vote – Yes: Dillon, Ferrari, Horning, Klinger, Kornexl, McKay, Revels, Rhein-O'Neill, Steggerda, and Thelen

All chairpersons of their respective committees - Winter Workshop, MMTI, Fall Conference and MMTA in the UP - will not have to pay registration fees to attend their respective conferences. This takes into account the fact that the conference chairperson spends a lot of time organizing and implementing the respective conference and may not have time to attend the educational sessions.

Policies Adopted: March 27, 2009
