

PRIME Award

Nominations

Who are those people who have distinguished service in their professions, communities, and the Michigan Municipal Treasurers Association? Since 1989, the MMTA has recognized 32 outstanding individuals who exemplified these attributes by awarding them the prestigious PRIME Award. Every year we recognize one member with the award which stands for Professional Recognition in Municipal Excellence.

Please take a moment to think about it and put together a nomination for the 2019 PRIME Award recipient. To be eligible, the nominee must be an Active Member as defined in the Bylaws who has maintained membership in the MMTA for no less than three complete consecutive years immediately prior to nomination.

You may nominate any member who meets the qualifications by completing the nomination form and including a short statement of why you are nominating him or her. Please keep in mind that

your nomination should demonstrate that the nominee has contributed to the improvement, promotion and support of his or her community and the MMTA. Instead of completing the form, you may submit a letter of nomination which includes the required information.

A committee of three previous PRIME recipients will review the nominations based on the information submitted. The Committee will then select its top two to four qualified nominees to be placed on the ballot for selection by their peers. The ballot will contain a brief biography of each individual and the reasons he or she was nominated. All MMTA members, including Associate Members, are eligible to vote for the PRIME Award. The 2019 PRIME Award recipient will be announced and honored at the MMTA 41st Annual Fall Conference at the Radisson Plaza Hotel and Suites, 100 West Michigan Avenue, Kalamazoo, MI 49007 on Tuesday, October 15, 2019.

**** NOMINATIONS MUST BE RECEIVED NO LATER THAN FRIDAY, JULY 26, 2019 ****
